REPORT AND RECOMMENDATION

Pursuant to W.D. MICH. L.CR.R. 11.1, I conducted a plea hearing in the captioned case on January 18, 2011, after receiving the written consent of defendant and all counsel. At the hearing, defendant Richard Cornelius Cnossen entered a plea of guilty to the Indictment in exchange for the undertakings made by the government in the written plea agreement. In the Indictment, defendant is charged with conversion of government property in violation of 18 U.S.C. § 641. On the basis of the record made at the hearing, I find that defendant is fully capable and competent to enter an informed plea; that the plea is made knowingly and with full understanding of each of the rights waived by defendant; that it is made voluntarily and free from any force, threats, or promises, apart from the promises in the plea agreement; that the defendant understands the nature of the charge and penalties provided by law; and that the plea has a sufficient basis in fact.

I therefore recommend that defendant's plea of guilty to the Indictment be accepted, that the court adjudicate defendant guilty, and that the written plea agreement be considered for

acceptance at the time of sentencing. Acceptance of the plea, adjudication of guilt, acceptance of the plea agreement, and imposition of sentence are specifically reserved for the district judge.
